

BUSAMED

Premium Care. Personal Touch.

Empower **HER** 
@BUSAMED

A new era of affordable maternity care.

IN COLLABORATION WITH

Network One Health

Busamed is excited to introduce our new woman's wellness health service offering, EmpowerHER@Busamed. This offering is supported by providers in different medical disciplines and designed to offer a comprehensive range of medical services to woman at all life stages.

To introduce EmpowerHER@Busamed, we are pleased to announce the first offering in our comprehensive woman's wellness health services the EmpowerHER@Busamed maternity programme in collaboration with Network One Health - a maternity programme designed to provide personalised care for mothers-to-be, ensuring a safe and memorable experience for both you and your baby.

PRICING

We are excited to introduce new, competitive pricing for our EmpowerHER@Busamed maternity programme. For mothers-to-be, we offer maternity packages from just R29 900, making high-quality maternity care more accessible than ever. An assessment fee is applicable at R4600 (payable in two payments). T's & C's apply.

OUR COMPREHENSIVE MATERNITY SERVICES INCLUDE:

Midwife/Doctor Consultations: Comprehensive consultations to monitor your health and your baby's progress, including bedside tests like HIV screenings.

Antenatal Blood Tests: Standard antenatal blood tests in line with health guidelines.

Ultrasound Scans: Routine ultrasound scans at key stages of pregnancy to track your baby's development.

Antenatal Classes: Practical classes to help you prepare for childbirth, breastfeeding, and postnatal care.

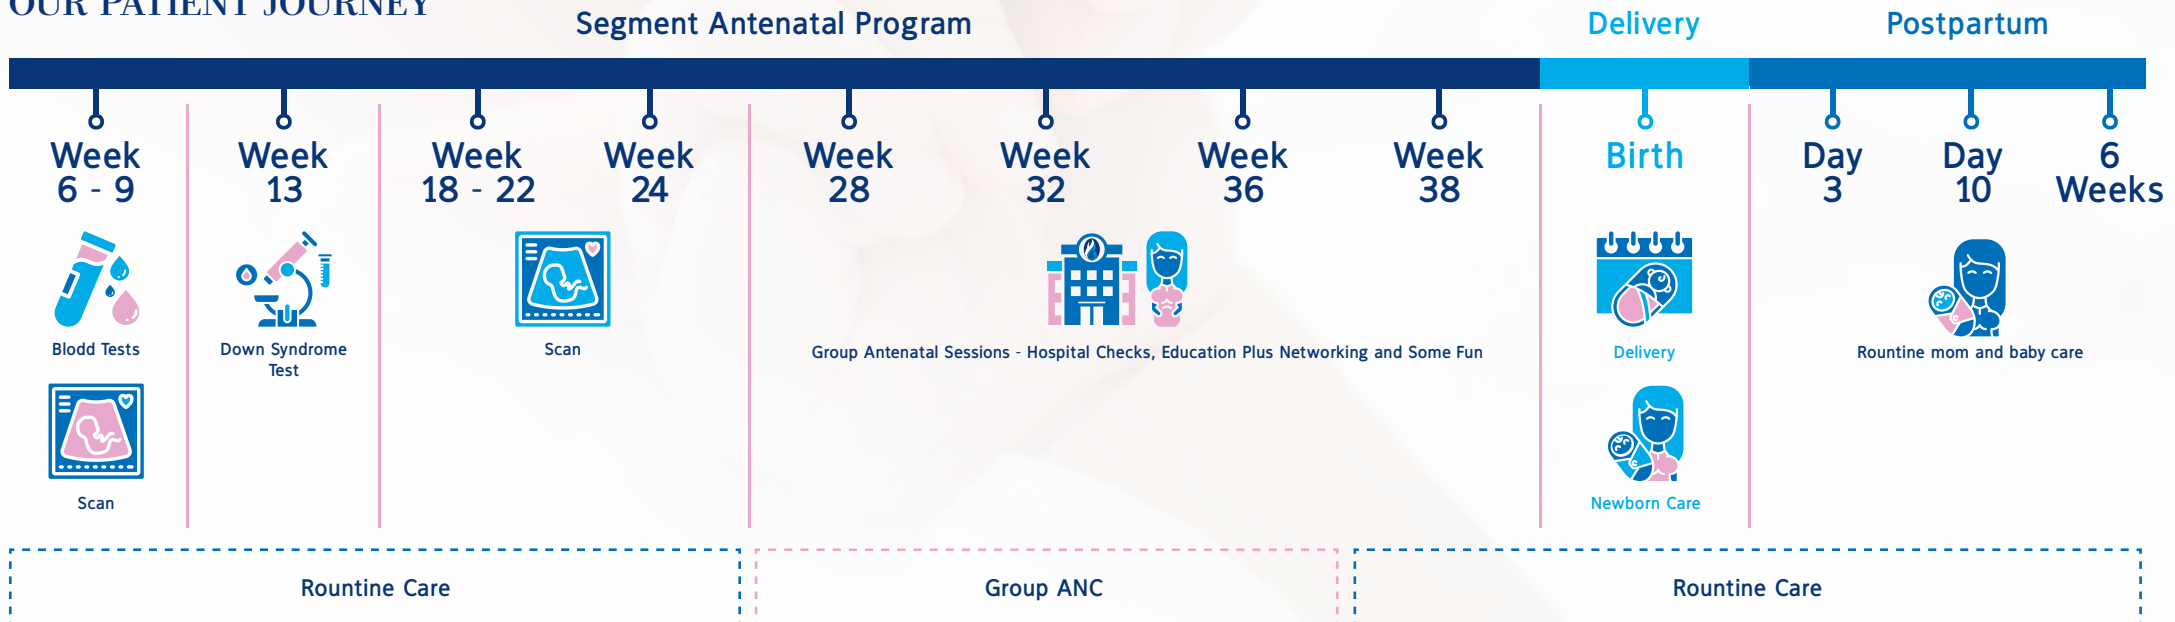

Postnatal Care: Includes a postpartum visit, pap smear, contraception advice, and a baby health check.

Complimentary Baby Bag:

A baby bag with some essential items to help you start your new parenting journey.
